

Processall maintains a fleet of rental equipment available to customers for monthly rental. These machines can be used to optimize your product and process, produce test market quantities, and supplement production while we are designing and manufacturing your new equipment. A portion of these charges can be rebated against the cost of a new machine.

Rental Equipment Available:

- 4 Liter Tilt-A-Mixer Rated for Internal Pressure and Vacuum
- 20 Liter Tilt-A-Mixer Vacuum Dryer
- 140 Liter Mixer/Granulator Vacuum Dryer
- 140 Liter Mixer Vacuum Dryer
- 300 Liter Mixer Rated for Vacuum
- Hot Oil System
- Vacuum Systems

These sizes are readily available and subject to prior rental. These units are shipped within 1-2 weeks of receiving your purchase order. Contact Processall's sales department for other sizes not covered here.

From Top to Bottom: 4 Liter Tilt-A-Mixer, 20 Liter Tilt-A-Mixer, 140 Liter Mixer, Vacuum System
